

Pinehurst School Age Program

2023-2024 Waitlist

Thank you for your interest in Pinehurst School Age Program at Hazel Wolf K-8. We offer before & after school care during the school year, full day programming on school breaks and teacher-in-service days, and summer camp.

Wait List Policy

- All wait list registrants are accepted on a first come, first serve basis and will be added to the wait list on the day this form is submitted to the Director.
- Siblings of children currently enrolled in Pinehurst School Age & Preschool Program will receive priority on the wait list.
- Families will be notified via email when a slot is available. If there is no response within 48 hours, Pinehurst will follow up with a phone call. Families will then have an additional 24 hours to respond and accept the slot. If there is no response, Pinehurst will move on to the next family on the wait list.
- Families can choose to defer a slot and still stay on the wait list.
- Please submit wait list applications to Christy Craig at cestrada@soundchild.org.

Please mark the days and times you would like to enroll your child for the 2022-23 school year. If you are offered a spot, a non-refundable fall fee of \$75 (per child) will be required to secure the slot for your child. There is no fee to be placed on the waitlist.
